

**Mr. Gregorios Themistocleous** is a Senior Manager at EY (Ernst & Young) Advisory Services. He has been involved with information systems, internal audit, risk and control assessments services since 1998. In the course of his professional career with EY and Deloitte he has lead a number of information technology related projects for international clients in the consumer goods, oil & gas, mining & metals, telecommunications, technology, automotive, life sciences and banking/insurance sectors. Furthermore, he has been one of the key developers and instructors of SAP assurance hands-on training courses in EY and has developed a number of techniques for the review and implementation of these systems. He has also participated as a speaker in events regarding SAP and IT audit, control & security and has published relevant articles in the press. Moreover, he was the leading organizer of EY IT audit training courses to the firm's associates and senior advisors/auditors in South East Europe.

Mr. Themistocleous is Information Technology Infrastructure Library (ITIL Foundation v3) certified, a Certified Information Systems Auditor (CISA), Certified in Risk and Information Systems Control (CRISC) and a member of the Information Systems Audit and Control Association (ISACA). He holds an M.Sc. in Analysis, Design and Management of Information Systems from the London School of Economics (UK) and a B.A. degree in Business Economics and Organizational Studies from the University of Reading (UK).
